

A HAPPY TAIL!

HANK

Hello my name is Hank and I am now 13 years old, and I wanted to thank everyone at Sierra's Haven. If it wasn't for your wonderful shelter, I would have never been given the chance to meet my amazing mommy.

She came to adopt me way back in June of 2004 when you were still Shawnee Animal Clinic. My mommy took a chance on me when no one else wanted too. I was a little wild in my youthful days and your staff even asked my Mommy on four different occasions if she was sure that she wanted to bring me home.

The girl who brought me out could barely hold me back as I met my mommy for the first time. When my mommy seen me she knew I was the one for her. Your staff even told her that if she changed her mind about me, not to take me to a dog pound and just bring me back for another dog.

Well here it is 13 years later and I have been my mommy's best friend through all of the ups and downs. I am sad to say but I have been recently diagnosed with cancer and kidney failure. However, I am still up beat and living life to the fullest. This is not a story to make everyone sad, but a story of happiness.

My mommy has given me the best life possible that any dog could have ever wanted. She has brought so much joy into my life and I have done the same for her. I want my story to inspire others into adopting shelter dogs like me so that they can have their lives enriched from a four legged furbaby.

So in closing, once again thank you Sierra's Haven for giving me the opportunity to find my fur-ever home.

Love Hank
